Description	<p>The Social Responsibility Club of our Institute initiated Say No to Polythene Bag campaign in the campus. The main objective of this campaign was to make students and people aware of the bad effect of polythene bags on environment, human beings, and animals.</p> <p>The S.D.M. of the city led the campaign. Besides there were many elite members of society who had come to give their tremendous support to this programme. The campaign carried many an activity. As usual the programme started with the motivational and informative lecture from our Director.</p> <p>He apprised the people gathered there of the hazardous effect of the use of Polythene bags. He said that polythene is bio-non-degradable product and can't be eliminated without damaging the environment.</p> <p>When eatables are carried in them, the chemicals used to make them get mixed with them. So polythene bags make the food items poisonous. If the animals chew them, they go to their abdomen and cause them severe pain and most of the time becomes a strong reason for their deaths.</p> <p>He further added that polythene bags cause drainage problem and make the city ugly. The 80% of the total garbage is made of polythene bags.</p> <p>The Chief Guest Chairman Municipal corporation Bhiwani Shri Ransingh Yadav and Vice-chairman Shri Maman Chand also enlightened the people about drawbacks of the use of poly-bags. Students took out a rally carrying placards with various slogans in the city. There was enthusiasm among them and the people of the city. It seemed to be a very successful campaign.</p>

Subject: Request for conduction of Value Addition Programme on Artificial Intelligence and Machine Learning

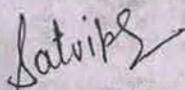

Respected Sir,

With due respect, I, Satvika is working as an Assistant Professor in Information Technology Department of your reputed institute. I request your kind self to grant me permission to conduct a Value Addition Programme on Artificial Intelligence and Machine Learning for 4th and 6th semesier students, so that they may gain practical knowledge regarding Artificial Intelligence and Machine Learning, which will prove highly beneficial for their career. The tentative dates for this programme are from 4th June to 9th June 2018. The course contents are attached.

Kindly grant me permission for the same.

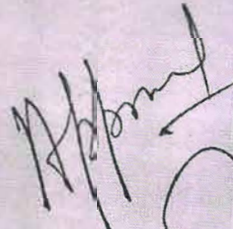

Thanking you,

Yours sincerely,

Satvika

Activity No-3	
Name of the activity	Awareness on AIDS
Date of Conduct	12-08-16
Participant Count	222
Description	<p>World AIDS Day is a day dedicated to commemorate those who have passed on and to raise awareness about AIDS and the global spread of the HIV virus. World AIDS Day, designated on 1st December every year, is an international day dedicated to raising awareness of the AIDS pandemic caused by the spread of HIV infection and mourning those who have died of the disease.</p> <p>TIT&S Bhiwani organized "World AIDS Day Awareness Programme" on 12 August 2016. On this occasion Dr. Raj Mehta, Government Hospital, Bhiwani delivered a speech about the AIDS Awareness and prevention measures and gave counseling to the students and created awareness among the students.</p> <p>Also, pledge was taken by the faculty members and students of various Departments. All the first year UG and PG students were participated in the above Awareness programme. Our Honorable Director Prof. R.K Anayath, M.E., Ph.D., presided over the function. After the completion of the function students organized a march from TIT&S Bhiwani to Huda Park by taking slogans and pamphlets in their hands.</p>
