Estd. in 1943 by Padma Vibhushan Dr. G.D. Birla

Activity Report	
Academic year	2018-19
Name of the activity	An introduction to research methods
Date of activity	22/2/2019
Organized by	TIT&S
Resource person	Dr S.K.Choudhary, NISTI Delhi
Objective	The purpose of the seminar is to introduce to the most important conceptual approaches of research as well as to explore and formulate the framework for the analysis of the topic.
Brief report	<p>Research methods are specific procedures for collecting and analyzing data. Developing research methods is an integral part of research design. While planning methods, two decisions come into play, First is collection of data. Second is analysis of data. The following points were discussed:</p> <ol style="list-style-type: none"><li>1. Methods for collecting data</li><li>2. Examples of data collection methods</li><li>3. Methods for analyzing data</li><li>4. Examples of data analysis methods</li></ol> <p>Apart from the above, there was exhaustive discussion on Descriptive vs. experimental data, research methods for collecting data, Methods for analyzing data, Qualitative analysis methods.</p>
Outcome	At the end of the program faculty members gained an in-depth understanding of research methods

Dear Sir,

I thank you from the bottom of my heart for taking time from your busy schedule to be the guest speaker at our institute. Your presence and wise words helped a lot to enhance the knowledge of the audience. Your lecture served the purpose in the best possible way and it was a huge success. I thank to your enlightening words that inspired so many people out there.

I look forward to our next interaction soon.

Wishing you all the best for your future endeavors,

Yours sincerely,

Director
