Dear Prof Chatterjee,

TIT&S Bhiwani had been communicated offer of 1 free delegate registration for the NISTI-ITTA joint conference on 12 July.

I have not received any filled in form with name registered against this courtesy facility. I request that you kindly act on this and send the form to me.ASAP.

Further, I am very surprised to find that there are no faculty or students from TIT&S, Bhiwani registered for the conference. As a Corporate Member of TI attached with NISTI with an MOU of partnership sustaining our relationship, I request that this status be immediately rectified and a delegate registration form with faculty and student names be sent to ITTA as instructed on the form. Faculty delegate fee is Rs 1,000/- and student fee is Rs 500/-.

For your information, I am attaching :

- \* latest programme schedule
- \* delegate registration form

Best wishes and regards
