RULES FOR FEE CONCESSION FOR THE CHILDREN OF TIT&S EMPLOYEES
ADMITTED TO THE VARIOUS COURSES IN TITS BHIWANI EFFECTIVE FROM
THE SESSION 2010-2011

Preface:

The TIT&S Management has been quite liberal in helping the children of its employees in pursuing for higher studies. It has helped a large number wards of TITS employees in receiving various undergraduate and postgraduate degrees from the Institute, many of which are presently occupying senior technical and managerial positions throughout India as well as abroad. Special schemes have been evolved from time to time for accommodating the children of TIT&S employees to the various courses of the Institute. Presently there is no quota at the discretion of the management for accommodating the children of TIT&S employees. Further due to prevailing financial strains, it is difficult for the management to grant 100% freeship to the children of TIT&S employees.

The following revised fee concession rules will supersede the past rules. These rules shall be effective from the academic session: 2010-2011. However, wards admitted prior to the academic year 2010-2011 will continue to be governed by the past rules which were effective from the academic season 2001-02

E. courses in all the Engineering colleges of Haryana, including TIT& S Bhiwani are made on the basis of inter- se merit of AIEEE conducted by CBSE, New Delhi through on-line off- campus counseling by Haryana State Counseling Society (HSCS) through NIC. Hence, the benefit of Fee Concession will be allowed to the children of the employees who are able to secure admission in the Institute through counseling of HSCS.

- (iii) The children of the employees who get admission in the institute on the basis of inter- se merit of qualifying examination will also be eligible for a fee concession.
