Dear Dr Goyal,

Re: Wool Science, Technology and Design Education Program – Train-the-Trainer  
Workshop

Thank you for your attendance at the workshop on the Wool Science, Technology and Design Education Program held in Mumbai by The Woolmark Company on 10-11 December 2018. We trust you and your colleagues found the workshop interesting and rewarding. The Woolmark staff enjoyed meeting all the attendees as well as the good interaction and information exchange that occurred within the workshop.

We look forward to further feedback from you when you return to your institute and from the results of the on-line feedback that all attendees have been asked to complete. We look forward to further contact with your institute and assisting you in introducing the Woolmark education program should you choose to do so.

We look forward to working with you.
