The Technological Institute of Textile & Sciences, Birla Colony, Bhiwani-127021 (Haryana)

Two-Day National Conference on

G20 Smart Future: AI, Resilience & Inclusive Growth
(In Hybrid Mode)

Organised by

Department of Management Studies

16-17 March, 2026

Venue: Central Auditorium, TIT&S, Bhiwani

About the Institute

Padma Vibhushan Dr G. D. Birla established the Technological Institute of Textile and Sciences (TIT&S), Bhiwani, in 1943, under the aegis of Birla Education Trust. The Institute presently offers two postgraduate programs, namely MBA & M.Tech, and seven undergraduate programs. All the courses offered by TIT&S are approved by the All India Council for Technical Education (Ministry of Human Resource Development, New Delhi). The Institute is recognised under 2(F) and 12(B) of the UGC Act, 1956, and accredited by NAAC with a B++ grade in its first cycle.

About the Department

A postgraduate program named Master of Management Sciences was introduced in the year 1986, keeping in view the need of the industries for professional managers having a techno-commercial background. Subsequently, this program was replaced with the Master of Business Administration (MBA) in the session 1999-2000. The undergraduate program, i.e., Bachelor of Business Administration (BBA), was started in 2020. Well-equipped with state-of-the-art facilities, the department works in close association with the corporate community and academicians of repute. It has organised several Seminars, Conferences, Workshops, staff development programs, and executive development programs during the last two decades

About the Conference

The National Conference on G20 SMART FUTURE: AI, Resilience, and Inclusive Growth brings together scholars, industry leaders, policymakers, and practitioners to explore how AI and emerging technologies, when guided by sustainable management and ethical governance, can strengthen resilience and enable inclusive growth across economies. Aligned with G20 priorities and the UN SDGs, the conference emphasises research-driven insights, policy relevance, and real-world impact. The conference aims to serve as a global, inclusive, and interdisciplinary platform that fosters the advancement of SMART FUTURE. The conference aims to encourage responsible innovation, informed policymaking, and effective management practices that promote inclusive, ethical, and sustainable growth. Through collaborative engagement among academia, industry, and policymakers, the platform seeks to contribute meaningfully to global development agendas in alignment with G20 priorities and the United Nations Sustainable Development Goals (SDGs).
