Operational Features of the IQAC at TIT&S

Some of the functions expected of the IQAC are:

- Development and application of quality benchmarks/parameters for various academic and administrative activities of the institution;
- Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required

knowledge and technology for participatory teaching and learning process;

- c. Arrangement for feedback response from students, parents and other stakeholders on quality-related institutional processes;
- d. Dissemination of information on various quality parameters of higher education;
- e. Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles;
- f. Documentation of the various programmes/activities leading to quality improvement;
- g. Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices;
- h. Development and maintenance of institutional database through MIS for the purpose of maintaining /enhancing the institutional quality;
- i. Development of Quality Culture in the institution;
- j. Preparation of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NBA/NAAC, to be submitted to NBA/NAAC.

IQAC to facilitate / contribute:

- To a heightened level of clarity and focus in institutional functioning towards quality enhancement and facilitate internalization of the quality culture.
- To the enhancement and integration among the various activities of the institution and institutionalize many good practices.

- To provide a sound basis for decision making to improve institutional functioning.
- To act as a change agent in the institution.
- To better internal communication.
