Notice

This is to inform all students who passed out during the academic year 2022-23 that the process for refunding the security deposit is underway. In order to expedite the refund process and ensure smooth transactions, all concerned students are hereby advised to submit their application for the refund of security deposit. The application must include a clearance certificate indicating no dues from the Mess and Library.

The application contains complete bank details, including the IFSC code, to facilitate direct transfer of the refund amount to the respective bank accounts.

Please note that failure to provide the necessary details and clearance certificates may result in delays or complications in processing the refund. All students are required to submit their applications for the refund of security deposit to the Accounts/Registration Department.

Thank you for your cooperation.
